Executive Director's Report

The Grand Prix had a fantastic 2008-2009. I'd like to congratulate all the bowlers for their continued participation in the program, the volunteers who have given up their time to work for Grand Prix, and the parents for being a part—and a crucial support—of it.

We're so honored to report that we've paid out over \$64,000 in scholarships in the 2008-2009 year. Way to go! I encourage everyone to keep participating, hosting fundraisers and earning points.

Moving forward, we have a super bright 2009-2010 ahead. We've heard from our Grand Prix bowlers and parents and have decided to eliminate the Grand Prix forfeiture rule. We still encourage everyone to continue to bowl a minimum of one league per season, in order to accrue more points and more scholarships. However, should you need to stop bowling for any reason, it's nice to know that your accumulated funds will stay safe. Keep in mind that you must request and use your accumulated funds by the day before you turn 23.

The more you bowl, the more fun you'll have and the more points you'll earn. Those points will turn to dollars. Tell your friends about the Grand Prix Scholarship Program and how much fun you're having. The more, the merrier!

If we can answer any questions, let us know. Our office staff is always happy to work with centers and volunteers to improve the experience and value of the Grand Prix program. Call us at 818-789-0900 or email us at grandprix@socalbowling.com.
